**Great Lakes Science Center offers half price admission  
for all moms on Mother's Day weekend**

**CLEVELAND** (April 17, 2018) – Flowers and candy are nice, but what moms really want for Mother's Day is the chance to spend quality time making memories with family. Great Lakes Science Center is making it easy to plan a special day for mom with a Stay Curious weekend Mother's Day edition half price admission deal!

On Saturday, May 12 from 10 a.m. to 5 p.m. and Sunday, May 13 from noon to 5 p.m. all moms (or aunts, grandmas, sisters or any other special adult woman in your life) will receive half off the price of any general admission or combo admission ticket.

Guests of all ages can check out amazing science demos, the Strange Science Big Science Show and hands-on activities including a special BASF Kids' Lab: Happy Hands Workshop where guests will use common ingredients to make their own hand lotion and explore how oil and water actually can mix, and a Wonders of Water activity sponsored by the Northeast Ohio Regional Sewer District.

Stay Curious weekend schedule:

- Magic of Matter Demonstration: 11:15 a.m. Saturday and 1:15 p.m. Sunday  
What's the matter with matter? We de-mystify matter while exploring and experimenting with physical changes. We'll uncover the truth behind why some materials behave in unexpected ways.
- BASF Kids' Lab: Happy Hands Workshop: noon Saturday and 2 p.m. Sunday  
Oil and Water do mix in this hands-on workshop! We explore how science makes this possible as we mix our own hand lotion that is yours to keep.
- NEORSD Wonders of Water pH activity: 11 a.m. to 4 p.m. Saturday and 1-4 p.m. Sunday  
Learn what's lurking in your water that you can't see or smell and use chemistry and technology to see the unseen!
- Strange Science Big Science Show: 2:15 p.m. Saturday and 3:15 p.m. Sunday  
See stunningly stupendous science experiments.

*(Editor's note: The Science Center's normal fall/winter operating schedule is Tuesday through Saturday 10 a.m. to 5 p.m. and noon to 5 p.m. Sundays. The Science Center's summer*

*schedule, Monday through Friday 10 a.m. to 5 p.m. and Sunday noon to 5 p.m. begins Monday, May 7.)*

**About Great Lakes Science Center**

Great Lakes Science Center, home of the NASA Glenn Visitor Center, makes science, technology, engineering and math (STEM) come alive for more than 300,000 visitors a year through hundreds of hands-on exhibits, temporary exhibitions, the Cleveland Clinic DOME Theater, Steamship *William G. Mather*, daily science demonstrations, seasonal camps, and more. The Science Center is funded in part by the citizens of Cuyahoga County through Cuyahoga Arts and Culture. Visit **GreatScience.com** for more information.
