To ensure the safety and well-being of all participants, we kindly ask that parents/guardians of children with severe food allergies notify our team in advance of existing allergies. While we strive to accommodate dietary needs, we recognize that some allergies may require additional precautions.

If your child has a life-threatening or highly sensitive food allergy, we strongly recommend that you pack a clearly labeled lunch from home to minimize risk. Our staff will make every effort to provide a safe environment, but we cannot guarantee an allergen-free setting.
